

ThinkPad X1

The 'Puts More Time On Your Side' Machine

The lightest corporate heavyweight in town

ThinkPad X1

Compromised performance is passé

- At 16.5mm thin, the thinnest Thinkpad ever
- Retains the Legendary RollCage
- Powerful Intel® Core™ i7-2620M
- Up to 8GB RAM & 160GB SSD

Mobility is more than just the form

- Introducing Lenovo RapidCharge. Charges the ThinkPad X1 battery up to 80% in 30 minutes
- Up to 10 hours battery life (with External Slice Battery)
- Integrated 3G mobile broadband

Still the ultimate business tool

- Enterprise class security features
- New Enhanced Video conferencing features
- Dolby v4 multimedia & HDMI 1.4a
- ThinkPad Reliability

The ThinkPad X1 redefines ultramobility

Easy to carry

- The ThinkPad X1 is just 16.5mm thin, the thinnest ThinkPad ever
- Weighs under 1.7 Kg (3.7 pounds)

With enough battery to fly from SFO to London

- 10 hours battery life (with External Slice Battery) ensures you don't run out of charge when you need it

Connecting flight at Heathrow? No Problem

- With Lenovo's RapidCharge all you need is 30 minutes
- X1 battery will charge up to 80% in 30 minutes. Enough to get you to Moscow¹

Connectivity on the road?

- Forgot to download that important document before leaving home? Not a problem either
- Integrated 3G mobile broadband options to connect and work anywhere
- WLAN-b/g/n, Bluetooth 3.0 & RJ45 for complete connectivity options

lenovo

ThinkPad

Ultramobile ≠ Underpowered

Powerful processor

- Powered by Intel® Core™ i7-2620M Processor, the ThinkPad X1 screams through everyday applications
- The TurboBoost+ feature increases the frequency from 2.7GHz to 3.4GHz on demand

Optimized Operating system

- The ThinkPad X1 comes with Lenovo Enhanced Experience 2.0 for Windows 7
- Experience RapidBoot, responsive applications and quick shutdown.

Heavyweight Specifications

- Add a Solid State Drive (SSD) of 160GB or a regular 320GB HDD
- Up to 8GB of 1333MHz DDR3 RAM

Next generation ports

- USB 3.0 for up to 10x faster data transfer than current generation USB 2.0
- HDMI and mini DisplayPort for connecting Full High Definition (1080p) projectors and displays

Legendary ThinkPad Reliability

Braced for impact

- The RollCage protects the ThinkPad X1 and the data inside against accidental drops
- The Corning® Gorilla® Glass further protects the screen against scratches and impact damage

Built to last

- RapidCharge battery in the X1 has been designed to last 3 times longer than a standard notebook battery

Protected against spills

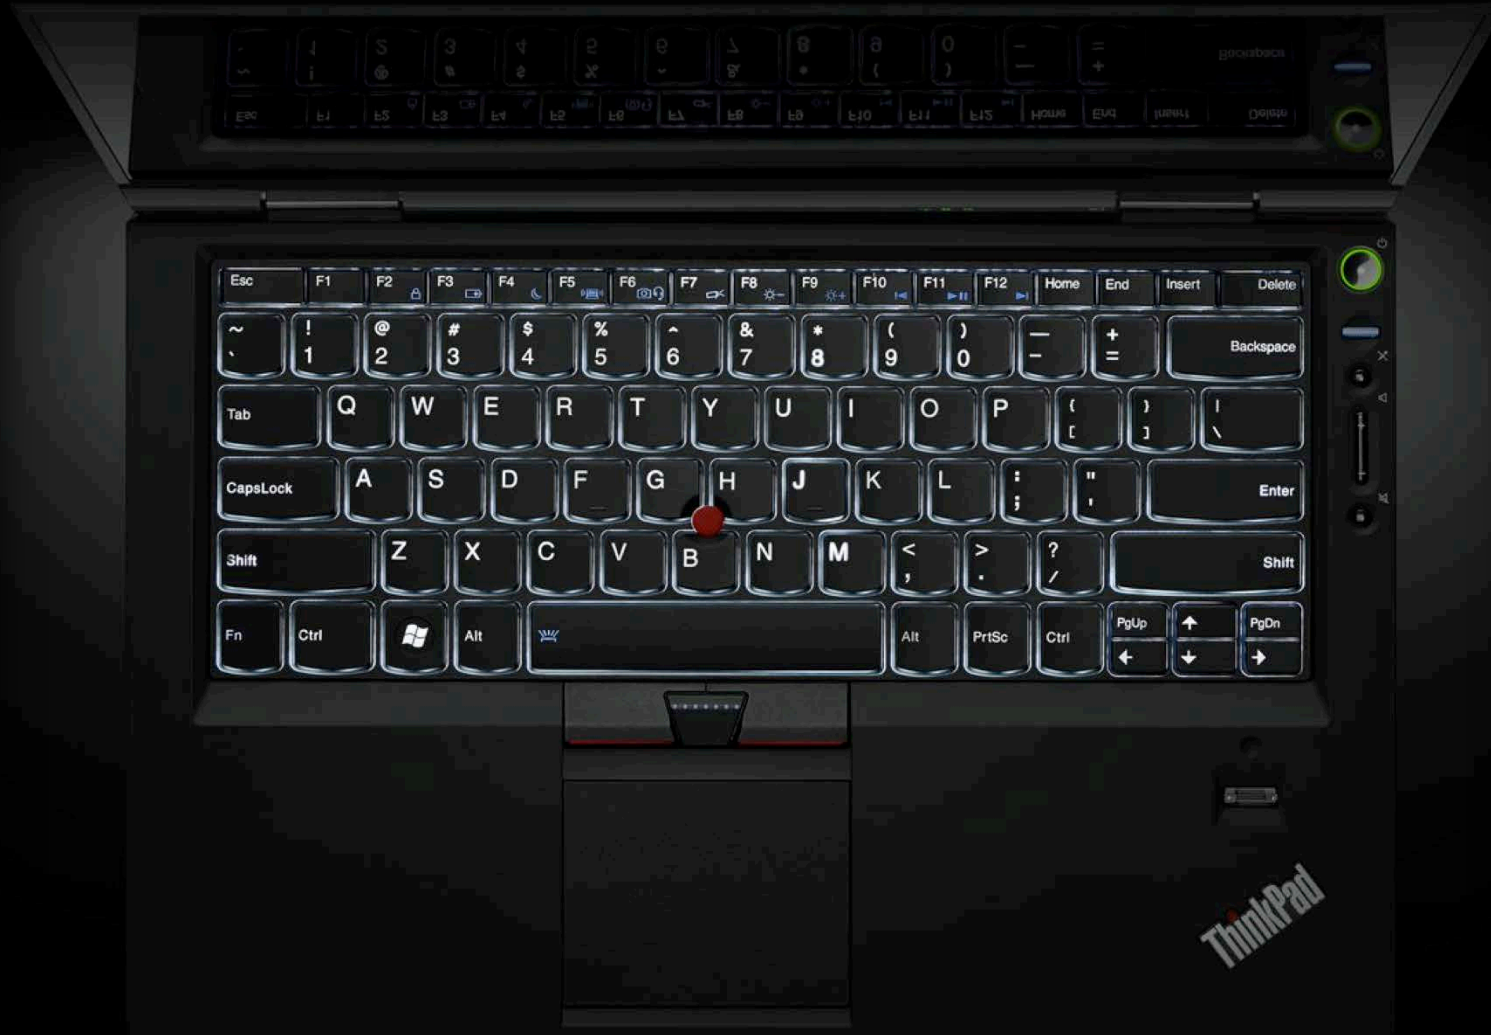

- Full-size spill-resistant precision keyboard.
- Industry-leading Keyboard **Backlit** for the first time!

Keeps your Data secure

- Fingerprint reader for secure authenticate and login with one swipe
- Opal Self Encrypting drives & Management software
- Hardware Password Manager
- CompuTrace by Absolute in BIOS

Enhanced multimedia

Play & Project Hi-Def video

- HDMI 1.4 for video output – Connect external High-Definition displays and HDTVs with ease
- 2X Faster Graphics Performance with Intel HD Graphics
- 13.3" HD (1366x768) Super Bright(350 NITS) display

Experience improved video conferencing

- Integrated low-light-sensitive HD Webcam: Clear image even in poor lighting conditions, making it easy to stay connected even when on the move
- Single Caller Mode & Conference Room Mode ensure your VOIP calls are clear & crisp

With Noise suppression technology

- Keystroke Noise suppression technology that ensures only your voice is heard in a web conversation
